May 2023 • Owen Electric • A Touchstone Energy Cooperative

Member Appreciation Days and Annual Meeting

We're just over a month away from Owen Electric's Member Appreciation Days and Annual Meeting.

Once again, we'll be hosting our Member Appreciation event over two days—Thursday and Friday, June 8 and 9, from 8 a.m. to 4:30 p.m. at each of our offices. You'll be able to drive through, register for prizes and receive your bucket and bulbs.

Registration will also take place at the Arthur Service Center in Walton, ahead of our Friday business meeting, which will be open for your attendance. Registration at the Arthur Service Center will take place between 4 p.m. and the start of the business meeting at 6 p.m. The meeting will also be broadcast through a live feed for those who are unable to attend in person.

The annual meeting is an important event for the cooperative—it's our way of informing you, an owner-member, how Owen Electric has served your interests throughout 2022. Management and our board will report on past activities and future goals of the cooperative, and they always enjoy seeing our members.

This year, we're excited to announce that the grand prize and a special \$2,000

scholarship will be drawn following the business meeting portion of the annual meeting. Recipients must be present at the drawing at Arthur Service Center Friday evening to register and win. All remaining prize winners and the annual scholarship recipients will be drawn for the following week. Members do not have to be present to register and win.

Our message and 2022 financial information will be in the annual report, delivered in the June issue of *Kentucky Living*.
